Agenda Item: Consider any action regarding changes to the volunteer policy and handbook.

Background and Explanation:

The Volunteer Policy and Handbook for the Azle Memorial Library was last revised in 2015. While major changes to the policy are not being suggested, the staff are recommending minor edits. Staff also recommend that the document be reorganized and broken into two separate documents: one that can be used as a handout for the public explaining the volunteer process; and the other serving as the policy and handbook.
