Agenda Item:	**Consider any action on Ordinance No. 2023-10 regarding a request to vacate and abandon certain portions of the street right-of-way of Oregon Avenue in the City of Azle, Texas.**

Background and Explanation:

The street right-of-way for Oregon Avenue was dedicated to the City as part of the Castle Hills Northwest Final Plat in 1950. This street was intended to be an entrance into the Castle Hills Northwest residential subdivision.

Around 2008, plans were developed for the expansion of Southeast Parkway and its frontage roads, which included R.O.W. acquisition and the re-alignment of Oregon Avenue to connect to Shoreline Drive instead of Southeast Parkway.

Currently, the business at 1401 Southeast Parkway (Aqualine Pools) has an asphalt parking lot over this unused R.O.W. for Oregon Avenue. There is still an active City of Azle water main located within the old Oregon Avenue R.O.W. If this R.O.W. abandonment request is approved by the Council, the property owner will replat the property to absorb the vacated R.O.W. and dedicate to the City of Azle a new water line easement as the water line will remain in its current location. This request will allow the property owner to obtain full ownership of the existing parking lot and fencing.

This request is only for the portion of Oregon Avenue R.O.W. that is owned by the City of Azle. Not all areas of R.O.W. around this property are being vacated by this request as some R.O.W. are owned by the State of Texas. Enclosed with this packet is an exhibit that illustrates all R.O.W. around 1401 Southeast Parkway and their ownership.

RE: Partial abandonment of Oregon Avenue

City Council,

My client Lynde Davis, owner of Aqualine Pools located in the City of Azle is formally requesting the abandonment of Oregon Avenue that is just west of her property. When Southeast Parkway was expanded the State of Texas acquired additional right-of-way. Oregon Avenue was re-routed by the State of Texas to intersect Shoreline easterly of its original location. The remaining portion of Oregon Avenue was never closed or abandoned. Within this portion of Oregon Avenue Aquline Pools (or is successor) built a parking lot and other improvements over this area. Aqualine Pools is requesting this abandonment and subsequent re-platting to facilitate the further improvements on this property.

Sincerely,

Report on City Adult Softball Leagues

Azle recognizes the importance of offering youth and adult recreation activities for all ages. Our recreation activities provide visitors and participants with fun, challenging leisure experiences that improve physical fitness and encourages social interaction.

In Azle, we offer activities for youth at Central Splash, three (3) large playgrounds, two (2) basketball courts, three (3) sand volleyball courts, a swimming area, exercise stations, and one (1) skateboard park. For adults, we offer three (3) pickleball/tennis courts, disc golf, and an adult softball program at the Shady Grove Park sports complex.

The Parks Department has been offering adult softball leagues for over thirty years. The league promotes sportsmanship, family involvement, fun competition, and much needed street relief. We have approximately 90 participants that play in each league.

Each year we offer four seasons of adult softball leagues (spring, summer I, summer II, and fall). Our participants range from recreational to competitive players. Participants must be 16 years of age or older. Registration for the adult softball program is team based. Registration is $350 per team which consists of at least ten (10) participants. A copy of the notice of this year's proposed rate is included with the communication for your review.

DE MINIMIS RATE	$0.5688744 per $100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for City of Azle from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval rate is the highest tax rate that City of Azle may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Azle exceeds the voter-approval rate for City of Azle.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Azle, the rate that will raise $500,000, and the current debt rate for City of Azle.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Azle is proposing to increase property taxes for the 2023 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON August 14, 2023 AT 6:00 PM AT 505 W Main Street, Azle TX 76020.

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate and does not exceed the rate that allows voters to petition for an election under Section 26.075, Tax Code. If City of Azle adopts the proposed tax rate, the City of Azle is not required to hold an election so that voters may accept or reject the proposed tax rate and the qualified voters of the City of Azle may not petition the City of Azle to require an election to be held to determine whether to reduce the proposed tax rate.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:
