**Agenda Item:** Consider any action authorizing the City Manager to execute an interlocal agreement with Tarrant County for their financial participation in the Dunaway Lane Reconstruction Project.

---

**Background and Explanation:**

The Dunaway Lane Reconstruction Project provides for the reconstruction of Dunaway Lane from State Highway 199 to Ash Avenue, widening the roadway to include a middle turn lane as well as replacing and adding a water line and storm drainage. Adjacent sidewalks will also be included with the widening of the thoroughfare.

The Project is included in Tarrant County's 2021 Transportation Bond Program which was approved by the voters in November 2021. The Program would provide \$2,817,500 towards the Project with the City providing the balance, currently estimated to be \$5,219,500 (total estimated Project cost is \$8,037,000). Tarrant County has provided an interlocal agreement (ILA) for Council consideration memorializing their commitment, as well as the City's commitment, to the Dunaway Project.

On June 4, 2024, the Council authorized issuance of \$6 million in certificates of obligation to fund the City's portion of the Project. Staff plans to bid the Project this summer with construction to commence shortly thereafter. The Project will continue into next fiscal year (FY2024-25) and possibly into FY 2025-26.

Council approved the initial ILA on February 7, 2023 for FY 2021-22. On November 7, 2023, the Council authorized execution of a similar agreement for FY 2022-23. Tarrant County wants a new agreement executed in the current fiscal year. Therefore, this agreement is forwarded for Council consideration. The Project will continue into FY 2024-25 and possibly beyond which will necessitate similar agreement(s) to be executed with Tarrant County.

RE: Letter of Recommendation

Dear Mr. Brundrett:

On May 29, 2024, at 3:00 PM bids were opened for the Highway 199 Water Line Bore project. This project includes installing 575 linear feet of 12" HDPE bore & encasement and an 8" water line across Highway 199 in Azle, Texas along with connections on both ends and all necessary appurtenances. There were six bids received with the low base bid of \$117,262.00 being turned in by S-Co Incorporated out of Jewett, Texas.

We have performed a reference check for S-Co Incorporated and see no reason not to award the contract. Based on our communication with the City, we recommend awarding the base bid to S-Co Incorporated for the total contract amount of \$117,262.00.

Based on the Council's preference for awarding the project, we will prepare documents for execution by the Contractor and the City.

Sincerely,

**JACOB | MARTIN**

**Agenda Item:** Consider any action on Resolution No. 2024-10 designating the officer or employee authorized to calculate the various tax rates required by the Texas Property Tax Code.

---

**Background and Explanation:**

Section 26.04 of the Texas Property Tax Code, as amended, requires that the governing body of a taxing entity designate an officer or employee as the individual authorized to calculate the no-new-revenue tax rate, the voter-approval tax rate, de minimis rate, and ensure compliance with other truth-in-taxation requirements. The Code does not speak as to how this designation is to be made but it has been recommended to Staff that the City Council take formal action by ordinance, order, or resolution to designate the authorized individual. It is further recommended that the City Council designate a specific position and not a specific person by name.

The resolution that accompanies this memo, if approved, will designate the City Manager or the City Manager's designee as the individual authorized to calculate the no-new-revenue tax rate, the voter-approval tax rate, de minimis rate, and other truth-in-taxation requirements for the City. The designation will remain in effect until modified by the City Council.
